Coordination and allocation of radio frequencies

The organizing committee has been informed that the Federal Office of Communications (OFCOM) will carry out an official frequency usage check on site for the ski jumping event in Engelberg in 2025. We ask you to check whether your equipment (radio transmission devices of any kind) is subject to registration or licensing under Swiss law. To ensure that licensing can be granted in good time, we ask you [to register officially](#).

If you have any questions, please contact Frequency Manager Athos Cavadini:
