COVID-19 Hotline +41 41 639 77 33

TOPIC	GUIDELINES & RULES OF CONDUCT
1 Prevention	<ul style="list-style-type: none"> <li>▷ Health takes the highest priority; a high level of solidarity and individual responsibility is required.</li> <li>▷ Persons with COVID-19 symptoms must not attend the event.</li> </ul>
2 Arrival	<ul style="list-style-type: none"> <li>▷ The teams must comply with the currently applicable regulations for entering Switzerland:           <ul style="list-style-type: none"> <li>- All persons aged 16 years and older must be able to present a negative PCR test (not older than 72h) or an Antigen Rapid Test (not older than 24h) upon entry into Switzerland. This test must be performed in the country of departure. In addition, an entry form must be filled out (<a href="https://swissplf.admin.ch/formular">https://swissplf.admin.ch/formular</a>).</li> </ul> </li> <li>▷ Individuals must arrive as part of a team.</li> </ul>
3 Information and reporting obligations/testing obligation	<p><b>Before the event:</b></p> <ul style="list-style-type: none"> <li>▷ Mandatory registration in the FIS C-19 database.</li> <li>▷ Anyone who travels to the event without all of the requisite documentation will not be provided with accreditation. This means that they will not be able to gain access to the event grounds and must self-isolate before filling out the documents.</li> </ul> <p><b>During the event:</b></p> <ul style="list-style-type: none"> <li>▷ Anyone who has not been vaccinated or recovered from COVID-19 must get themselves tested every 12h (rapid antigen test). Individuals from the red group will be prompted to do this by the LOC. The costs of the tests must be paid there and then by the person being tested.</li> </ul>
4 Accreditation	<ul style="list-style-type: none"> <li>▷ The accreditation serves as authorisation for admission to the event grounds and must be worn on your person at all times.</li> <li>▷ Under no circumstances whatsoever should an accreditation be transferred to a third party.</li> </ul>
5 Mandatory face masks	<ul style="list-style-type: none"> <li>▷ Everyone must wear a face mask in all areas of the red accreditation zone on the event grounds.</li> <li>▷ General, protective mask have to be worn indoors.</li> <li>▷ Protective masks do not have to be worn in the following exceptional circumstances:           <ul style="list-style-type: none"> <li>- By athletes immediately before, during and after the competition</li> <li>- During meal times, after individuals have sat down at their tables</li> </ul> </li> </ul>
6 Red and other groups	<ul style="list-style-type: none"> <li>▷ Persons from the red group must not mix with the Rest group.</li> </ul>
7 Covid-19 testing	<ul style="list-style-type: none"> <li>▷ Tests must be officially recognised and certified in the country in which they are carried out.</li> <li>▷ The task force can request that persons with symptoms take a rapid COVID-19 test.</li> <li>▷ The task force may arrange for rapid COVID-19 tests to be carried out unannounced at any time.</li> <li>▷ In the event of a positive result being returned by a rapid COVID-19 test, a COVID-19 PCR test must also be carried out.</li> <li>▷ The costs of any additional tests must be paid there and then by the person being tested.</li> </ul>
8 What to do if you experience symptoms	<ol style="list-style-type: none"> <li>1. Should anyone develop symptoms, the team manager must be informed immediately.</li> <li>2. The affected person must enter self-isolation immediately.</li> <li>3. The team manager shall inform the LOC's COVID-19 Health Coordinator immediately via the COVID-19 Hotline.</li> <li>4. A rapid antigen test must be carried out. If the result of this test is negative, the person concerned can return to the team. If the result of the rapid test is positive, a PCR test must also be carried out.</li> <li>5. The COVID-19 Health Coordinator will inform the task force in the event of a positive test result.</li> <li>6. The task force shall consult the cantonal authorities and make a decision on the next steps to take.</li> <li>7. Any information provided to third parties (the media, etc.) must be approved by the task force.</li> </ol>
9 Rules in the hotel	<ul style="list-style-type: none"> <li>▷ Every operator is free to put his hotel under the 2-G certificate requirement. A certificate is always required for eating (breakfast, lunch and dinner, etc.) indoors. The HotellerieSuisse protection concept (Link HotellerieSuisse) generally applies in the hotel.</li> <li>▷ Everyone who have neither been vaccinated nor recovered or who have a vaccine that is not approved in Switzerland (e.g. Sputnik V) must have their meals in the hotel room.</li> </ul>
10 Training and implementation	<ul style="list-style-type: none"> <li>▷ The team manager is responsible for providing team members with internal training.</li> <li>▷ The team manager undertakes to inform the team about the red annex and the protection regulations no later than on the evening before the first official team event (training or competition).</li> <li>▷ The annex is a binding part of the basic protection concept for the World Cup.</li> </ul>
